Dear Ms. Gowen,

It is my pleasure to inform you that Reser's Fine Foods, Inc. has fulfilled all aspects of the incentive agreement entered into with GO Topeka on December 15, 2016. Earlier this year we conducted the final verification of employment data and submitted a check to Reser's for the remaining \$41,200 in employment incentives. GO Topeka is pleased to have provided Reser's with \$659,264 in earned incentives over the course of the incentive agreement.

	<u>Earned</u>	<u>Potential Max</u>
Employment	\$336,000	\$336,000
Real Estate Investment	\$254,264	\$260,000
Machinery & Equipment Investment	\$69,000	\$69,000
<b>Total</b>	<b>\$659,264</b>	<b>\$665,000</b>

This letter also serves as confirmation that Reser's has opted to not take advantage of the 3-year performance period extension granted by the Joint Economic Development Organization due to the impacts of the Covid-19 pandemic. The details of the extension were outlined in a letter dated October 11, 2022. All earned incentives have been paid and the potential extension is not being executed, thus, the incentive agreement is now closed.

Reser's is one of the premier businesses in Topeka and Shawnee County and we look forward to your continued success. If you need any assistance or are considering future expansions/growth please do not hesitate to reach out to us. We look forward to working with you and your team in the future.

Sincerely,

Jackie Steele
